

Thanks for your participation

Requirements for completion of YOUR initial endorsement includes attendance of TWO (2) Applied Math in-services.

In order to maintain your endorsement you must garner 40 additional clock hours every five years by attending Applied Math in-services or summer conferences.

There are two in-services offered in the Fall, one in the Winter and two in the Spring. This gives you 5 opportunities to complete your requirements for your initial endorsement.

Registration forms are posted at www.wa-appliedmath.org
